| Company details | IVF Bioscience
Bickland Industrial Park
Falmouth, Cornwall
TR11 4TA, UK |
| Emergency contact | +44 (0) 1326 370 642 |

SECTION 2: Hazards identification

The product is classified as non hazardous in accordance with EU Directive 1272/2008/EC

SECTION 3: Composition/information on ingredients

| Chemical name | WASH |

SECTION 4: First aid measures

| Inhalation | The medium is not considered hazardous upon inhalation |
| Ingestion | Ingestion is not considered a potential route of exposure |
| Skin | The medium is non toxic
Wash exposed skin with soap and water |
| Eyes | Rinse with plenty of water, separating eyelids with fingers
Consult a physician in case of persistent irritation symptoms such as pain, persistent blinking or redness |

SECTION 5: Fire fighting measures

| Fire | The medium is not considered a fire hazard |
| Extinguishing media | No fire hazard |

SECTION 6: Accidental release measures

In case of spillage, absorb liquid with paper tissue, clean and dry the area to prevent slipping
SECTION 7: Handling and storage

Handling | Perform aseptic working techniques when handling the product
Storage | Store in original container, refrigerated at 2-8°C and away from sunlight
Notes | Do not freeze or expose to temperatures higher than 39°C
Specific usage notes | The medium must be used within 8 days of opening
Discard unused media which has become warm and or discoloured

SECTION 8: Exposure controls and personal protection

Engineering controls | No special ventilation requirements
Personal protection | Avoid contact with skin and eyes
Wear appropriate personal protective equipment and wash thoroughly after contact

SECTION 9: Physical and chemical properties

Physical state | Liquid
Colour | Orange tint - transparent
Odour | Odourless
Evaporation rate | N/A
Water solubility | Soluble

SECTION 10: Stability and reactivity

Stability | Stable - must be used within 8 days of opening
Conditions to avoid | Refer to notes and specific usage notes in Section 7
Hazardous decomposition or by-products | Not expected to occur

SECTION 11: Toxicological information

The product is pH, osmolality, endotoxin and sterility tested during manufacture of each lot. Each lot is also mouse embryo assay tested

SECTION 12: Ecological information

No ecological information available

SECTION 13: Disposal considerations

Dispose of media as medical waste in accordance with local and national regulations

SECTION 14: Transport information

Hazard classification | Non hazardous
Notes | Freeze blocks are embedded in the package for transportation

SECTION 15: Regulatory information

The product is compliant with REACH and EU Directive 1272/2008/EC regulations

SECTION 16: Other information

No other information
IVF Bioscience is not liable for any damage resulting from handling or contact with this product
